

# Drunk on a Feeling

Madilyn Bailey

This is me just checking in  
We've come so far from where we began  
Swimming in these neon lights  
And I haven't seen the stars in years  
And the seasons never change  
So it's unclear how long I've been here

This is me just checking in  
For a pause under my skin  
Am I still breathing?  
And I haven't slept a night in years  
And I'm starting to wonder

Am I drunk on a feeling?  
Or as high as a ceiling?  
Don't tell me I've just been dreaming  
Been believing this so long  
But what happens if I'm wrong?  
Don't tell me I've just been dreaming

Been dreaming  
Been dreaming  
Don't tell me I've just been dreaming

This is me remembering  
All the things I've said I'd be  
Oh, how naive  
I said this city never change me  
Does that make me a liar?

Am I drunk on a feeling?  
Or as high as a ceiling?  
Don't tell me I've just been dreaming  
Been believing this so long  
But what happens if I'm wrong?  
Don't tell me I've just been dreaming

Been dreaming  
Been dreaming  
Don't tell me I've just been dreaming  
Ooh, ooh  
Ooh, ooh  
Ooh, ooh

If you wake me up  
Then we'll never know  
If we can meet in the middle  
Through the eye of the needle  
So don't wake me up  
Cause I wanna know  
If we can meet in the middle  
Through the eye of the needle

Ooh, ooh, been dreaming  
Ooh, ooh, been dreaming  
Ooh, ooh  
If we can meet in the middle

Through the eye of the needle  
Ooh, ooh  
Ooh, ooh, been dreaming  
Ooh, ooh, been dreaming  
Ooh, ooh  
If we can meet in the middle  
Through the eye of the needle
