

# Fetish

Madilyn Bailey

Take it or leave it  
Baby take it or leave it  
But I know you won't leave it (ah)  
'Cause I know that you need it  
Look in the mirror  
When I look in the mirror  
Baby I see it clearer  
Why you wanna be nearer (ah)

I'm not surprised  
I sympathize (ah)  
I can't deny  
Your appetite (ah)

You got a fetish for my love  
I push you out and you come right back  
Don't see a point in blaming (you)  
If I were you, I'd do me (too)

You got a fetish for my love  
I push you out and you come right back  
Don't see a point in blaming (you)  
If I were you, I'd do me (too)

You got a fetish for my love

Reaching your limit  
Say you're reaching your limit  
Going over your limit  
But I know you can't quit it  
Something about me  
Got you hooked on my body  
Take you over and under and twisted up like origami (ah)

I'm not surprised  
I sympathize (ah)  
I can't deny  
Your appetite (ah)

You got a fetish for my love  
I push you out and you come right back  
Don't see a point in blaming (you)  
If I were you, I'd do me (too)

You got a fetish for my love  
I push you out and you come right back  
Don't see a point in blaming (you)  
If I were you, I'd do me (too)

You got a fetish for my love

The way you walk, the way you talk  
I blame you 'cause it's all your fault  
Ya playin' hard, don't turn me off  
Ya acting hard, but I know you soft  
You my fetish, I'm so with it  
All these rumors bein' spreaded

Might as well go 'head and whip it  
'Cause they sayin' we already did it  
Call on Gucci if you ever need and  
I'll be South Beach in the drop top gleamin'  
Order diamonds, Aquafina  
Just need you in a blue bikini

You got a fetish for my love  
I push you out and you come right back  
Don't see a point in blaming (you)  
If I were you, I'd do me (too)

You got a fetish for my love  
I push you out and you come right back  
Don't see a point in blaming (you)  
If I were you, I'd do me (too)

You got a fetish for my love
