

Greedy

Madilyn Bailey

He said, "Are you serious? I've tried, but I can't figure out
I've been next to you all night and still don't know what you're about
You keep t-t-talking, but not much coming out your mouth
Can't you tell that I want you?" And I say, yeah

I would want myself
Baby, please believe me
I'll put you through hell
Just to know me, yeah
So sure of yourself
Baby, don't get greedy
That just won't end well
No, it won't

He said, "I'm just curious, is this for real or just an act?
Can't tell if you love or hate me, never met someone like that
Drive me so so so crazy, did you know you got that effect?"
I said, "lemme check", yeah

I would want myself
Baby, please believe me
I'll put you through hell
Just to know me, yeah
So sure of yourself
Baby, don't get greedy
That just won't end well
No, it won't

Should be running for the hills
Should be running for the hills
Should be running for the hills
The way you
Baby, don't get greedy
Running for the hills
Should be running for the hills
Should be running for the hills
The way you, you touch me

The way you touch me
Straight to the heart yeah
It cuts me
I know deep down that it's
Never no never be us, no no
Never be never be more than just something that's messing me up
Don't tease me
Keep me around like it's easy
But I know deep down that it's
Never no never be us, no no
Baby, don't get greedy

I should be running for the hills
Should be running for the hills
Should be running for the hills
The way you
Baby, don't get greedy
Cause that won't end well
