

Happier

Madilyn Bailey

Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

When the morning comes
When we see what we've become
In the cold light of day we're a flame in the wind
Not the fire that we've begun
Every argument, every word we can't take back
'Cause with all that has happened
I think that we both know the way that the story ends

Then only for a minute
I want to change my mind
'Cause this just don't feel right to me
I want to raise your spirits
I want to see you smile but
Know that means I'll have to leave

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

When the evening falls
And I'm left there with my thoughts
And the image of you being with someone else
Well, it's eating me up inside
But we ran our course, we pretended we're okay
Now if we jump together at least we can swim
Far away from the wreck we made

Then only for a minute
I want to change my mind
'Cause this just don't feel right to me
I want to raise your spirits
I want to see you smile but
Know that means I'll have to leave

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

So I'll go, I'll go
I will go, go, go
So I'll go, I'll go
I will go, go, go

Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier
Even though I might not like this
I think that you'll be happier, I want you to be happier

Then only for a minute
I want to change my mind
'Cause this just don't feel right to me
I want to raise your spirits
I want to see you smile but
Know that means I'll have to leave

Know that means I'll have to leave
Lately, I've been, I've been thinking
I want you to be happier, I want you to be happier

So I'll go, I'll go
I will go, go, go

Walking down 29th and park
I saw you in another's arms
Only a month we've been apart
You look happier

Saw you walk inside a bar
He said something to make you laugh
I saw that both your smiles were twice as wide as ours
Yeah you look happier, you do

Ain't nobody hurt you like I hurt you
But ain't nobody love you like I do
Promise that I will not take it personal baby
If you're moving on with someone new

Cause baby you look happier, you do
My friends told me one day I'll feel it too
And until then I'll smile to hide the truth
But I know I was happier with you

Sat in the corner of the room
Everything's reminding me of you
Nursing an empty bottle and telling myself you're happier
Aren't you?

Ain't nobody hurt you like I hurt you
But ain't nobody need you like I do
I know that there's others that deserve you
But my darling I am still in love with you

But I guess you look happier, you do
My friends told me one day I'll feel it too
I could try to smile to hide the truth
But I know I was happier with you

Baby you look happier, you do
I knew one day you'd fall for someone new
But if he breaks your heart like lovers do
Just know that I'll be waiting here for you
