

# Is Anybody Out There

Madilyn Bailey

Madilyn Bailey:

I don't wanna be left,  
In this war tonight.  
Am I alone in this fight?  
Is anybody out there?  
Yeah

Don't wanna be left,  
In this world behind.  
Say you'll run to my side.

Corey Gray:

Something 'bout Mary,  
Never won a pageant.  
Never felt pretty.  
Never looked like Cameron,  
Diaz was her last name.  
Always been abandoned.  
Keep your head up.

Baby girl this is your anthem.  
There goes Hannah,  
Showin' off her banner.  
Rocking that crown.  
Make them boys go bananas.  
When you're insecure about yourself,  
It's a fact.  
You can point a finger,  
But there's three pointing bac.  
I can see her crying out, yeah  
Is anybody out there?

She's really counting on your love.  
Still struggling uphill.  
But you act like you don't care.  
Right now she could really use a shoulder.  
Hanging onto the edge til it's over.  
She's crying for your love tonight.  
Loneliest heart to survive, she said.

Yeah

Don't wanna be left,

Is anybody out there?  
Yeah, Yeah  
Is anybody out there?  
Yeah, Yeah

Corey Gray:

His name was Adam.

When his mom had him,  
Dad was a phantom never took a look at him.  
Grew up mad and antisocial.  
Hated outdoors, always in playing madden.  
Adam was lonely  
Drugs were the only,  
Way out of his own life.  
Now he's slowly losing his fire,  
Close to retire.  
With one last hope he puts his arms up higher.  
I can see him crying out, yeah.  
Is anybody out there?

He's really counting on your love.  
Still struggling uphill.  
But you act like you don't care.  
Right now he could really use a shoulder  
Hanging onto the edge til it's over.  
He's crying for your love tonight.  
Loneliest heart to survive, he said.

In this world behind.

Is anybody out there?

If you feel the way I feel.  
Like you've been talking to yourself.  
Well this one's for everyone who's felt invisible.  
Lonely in a crowded room.  
Searching for someone like you.  
Can't do it all alone.  
Can't do it all alone.  
Is anybody out there?  
Is anybody out there?  
Is anybody out there?
