

## Lose Control

Madilyn Bailey

Something's got a hold of me lately  
No, I don't know myself anymore  
Feels like the walls are all closin' in  
And the devil's knockin' at my door, woah  
Out of my mind, how many times did I tell you  
I'm no good at bein' alone?  
Yeah, it's taken a toll on me, tryin' my best to keep  
From tearin' the skin off my bones, don't you know

I lose control  
When you're not next to me  
I'm fallin' apart right in front of you, can't you see?  
I lose control  
When you're not next to me, mhm  
Yeah, you're breakin' my heart, darling  
You make a mess of me

Problematic  
The problem is I want your body like a fiend, like a bad habit  
Bad habits hard to break when I'm with you  
Yeah, I know I can do it on my own  
But I want that real full-moon black magic and it takes two  
Problematic  
The problem is when I'm with you I'm an addict  
And I need some relief, my skin and your teeth  
Can't see the forest through the trees  
Got me down on my knees

I lose control  
When you're not next to me  
I'm fallin' apart right in front of you, can't you see?  
I lose control  
When you're not next to me (Mm-hmm)  
Yeah, you're breakin' my heart, darling  
You make a mess of me, yeah
