Madilyn Bailey

Our love runs deep like a Chevy  
If you fall I'll fall with you baby  
Cause that's the way we like to do it  
That's the way we like

You run around open doors like a gentleman  
Tell me, "Girl, every day you're my everything."  
Cause that's the way you like to do it  
That's the way you like

Just a little West Coast, and a bit of sunshine  
Hair blowing in the wind, losing track of time  
Just you and I, just you and I  
Whoa, whoa

No matter how far we go,  
I want the whole world to know  
I want you bad, and I won't have it any other way  
No matter what the people say,  
I know that we'll never break  
Cause our love was made, made in the USA  
Made in the USA, yeah yeah

You're always reading my mind like a letter  
When I'm cold, you're there like a sweater  
Cause that's the way we like to do it  
That's the way we like

I'll never ever let the world get the best of you  
Every night we're apart, I'm still next to you  
Cause that's the way we like to do it  
That's the way we like

We touch down on the east coast  
Dinner on the sky rise,  
Winter is the best time for walking in the city lights  
You and I, you and I

No matter how far we go,  
I want the whole world to know  
I want you bad, and I won't have it any other way  
No matter what the people say,  
I know that we'll never break  
Cause our love was made, made in the USA

Cause baby I'll bite the bullet  
And take the blow for love  
Whoa oh oh, our love was made in the USA  
Oh made in the USA, made in the USA

No matter how far we go,  
I want the whole world to know  
I want you bad, and I won't have it any other way  
No matter what the people say,  
I know that we'll never break  
Cause our love was made, made in the USA  
Made in the USA, whoa
