

Not Afraid

Madilyn Bailey

I'm not afraid to take a stand
Everybody come take my hand
We'll walk this road together, through the storm
Whatever weather, cold or warm
Just let you know that, you're not alone
Holla if you feel that you've been down the same road

You can try and read my lyrics off of this paper before I lay 'em
But you won't take the sting out these words before I say 'em
Cause ain't no way I'm let you stop me from causing mayhem
When I say 'em or do something I do it, I don't give care
What you think, I'm doing this for me, so forget the world
Feed it beans, it's gassed up, if a thing's stopping me
I'mma be what I set out to be, without a doubt undoubtedly
And all those who look down on me I'm tearing down your balcony
So no ifs ands or buts don't try to ask him why or how can he
From Infinite down to the last Relapse album he's still sick
Whether he's on salary or paid hourly
Until he bows out or it all just bowels out of him
Whichever comes first, for better or worse
He's married to the game, like a coal for Christmas
His gift is a curse, forget the earth he's got the urge
To pull his fist from the dirt and show the whole Universe

I'm not afraid to take a stand
Everybody come take my hand
We'll walk this road together, through the storm
Whatever weather, cold or warm
Just let you know that, you're not alone
Holla if you feel that you've been down the same road

Ok quit playin' with the scissors and blades, and cut the crap
I shouldn't have to rhyme these words in the rhythm for you to know it's a rap
You said you was king, you lied through your teeth
For that forget your feelings, instead of getting crowned you're getting capped
And to the fans, I'll never let you down again, I'm back
I promise to never go back on that promise, in fact
Let's be honest, that last Relapse CD was "ehhhh"
Perhaps I ran them accents into the ground
Relax, I ain't going back to that now
All I'm tryna say is get back, click-clack BLAOW
Cause I ain't playin' around
There's a game called circle and I don't know how
I'm way too up to back down
But I think I'm still tryna figure this crap out
Thought I had it mapped out but I guess I didn't
This black cloud's still follows me around
But it's time to exercise these demons
They're all doing jumping jacks now!

I'm not afraid to take a stand
Everybody come take my hand
We'll walk this road together, through the storm
Whatever weather, cold or warm
Just let you know that, you're not alone

Holla if you feel that you've been down the same road
