I remember tears streaming down your face When I said, "I'll ne ver let you go" When all those shadows almost killed your light I remember you said, "Don't leave me here alone" But all that's dead and gone and passed tonight

Just close your eyes The sun is going down You'll be alright No one can hurt you now Come morning light You and I'll be safe a nd sound

Don't you dare look out your window darling Everything's on fir e The war outside our door keeps raging on Hold onto this lulla by Even when the music's gone, gone

Just close your eyes The sun is going down You'll be alright No one can hurt you now Come morning light You and I'll be safe a nd sound

Oooh, Oooh, Oooh, Oooh, Oooh, Oooh, Oooh

Just close your eyes You'll be alright Come morning light, You and I'll be safe and sound...

Oooh, oooh, oooh oh oh
