

Someone You Loved

Madilyn Bailey

I'm going under, and this time, I fear there's no one to save me

This all or nothing really got a way of driving me crazy

I need somebody to heal, somebody to know

Somebody to have, somebody to hold

It's easy to say, but it's never the same

I guess I kinda liked the way you numbed all the pain

And now the day bleeds into nightfall

And you're not here to get me through it all

I let my guard down and then you pulled the rug

I was getting kinda used to being someone you loved

I'm going under, and this time, I fear there's no one to turn to

Ohh-oh-oh

This all or nothing way of loving got me sleeping without you-u-u

Now, I need somebody to know, somebody to heal

Somebody to have just to know how it feels

It's easy to say, but it's never the same

I guess I kinda like the way you help me escape

Now the day bleeds into nightfall

And you're not here to get me through it all

I let my guard down and then you pulled the rug

I was getting kinda used to being someone you loved

And I tend to close my eyes when it hurts sometimes

I fall into your arms

I'll be safe in your sound till I come back around

And now, the day bleeds into nightfall

And you're not here to get me through it all

I let my guard down and then you pulled the rug

I was getting kinda used to being someone you loved

And now the day bleeds into nightfall

And you're not here to get me through it all

I let my guard down and then you pulled the rug

I was getting kinda used to being someone you loved

I let my guard down and then you pulled the rug

I was getting kinda used to being someone you loved
