

The Best Way to Deal with Hate

Madilyn Bailey

You're on a road to success
Watch out the trolls
And don't get depressed
Learn to be bold
Haters gonna hate
Testers gonna test
But you continue your journey
'Cause you're the best

If you were taking a test
You'd probably get
One million, trillion, billion, thousand percent
'Cause you kill them with kindness
Kindness potato
You're special and it shows
The way you're smiling and growing

Why do they hate her?
She's such an angel
Take all the hate
Here's what you do

You slap them in the face
Find your happy place
Tell them to go love themselves
Stay positive, stay safe
Don't listen to a word they say
They're all just jelly anyway
Remember we all love you
That's the best way to deal with hate

O to the M to the G
Why is everyone so mean?

Can't make everyone happy
Can you stop the hating, please?
We're all fighting battles for each other
All we need is a sister or a brother
When you put your voice together
Makes it so much better

Why do they hate her?
She's such an angel
Take all the hate
Here's what you do

You slap them in the face
Find your happy place
Tell them to go love themselves
Stay positive, stay safe
Don't listen to a word they say
They're all just jelly anyway
Remember we all love you
That's the best way to deal with hate

Oh, keep on keeping on
Just keep singing, keep winning, yeah

You've done nothing wrong
Keep on keeping on
Just keep singing, keep winning
Stay strong
Thank the haters for this song

My mom says if you don't have something nice to say
Then just don't say it
Kindness potato
For every minute that you're angry
You lose 60 seconds of happiness
Oh, think about it

Slap them in the face
Find your happy place
Tell them to go love themselves
Stay positive, stay safe
Don't listen to a word they say
They're all just jelly anyway
Remember we all love you
That's the best way to deal with hate

Just plug your ears and sing
Na na na na na na na na na na na na na na
Troll the trolls right back
Just ignore them, they'll get bored and sing
Na na na na na na na na na na na na na na
It kinda makes me wanna join them
Just to get in the song, yeah
Na na na na na na na na na na na na na na

Oh, whoa...
And that, my friends, is the best way to deal with hate
