BOYSHIT

Madison Beer

I'm lettin' you in, you're lettin' me down (Ooh-ooh, ooh-ooh)
I swear when you talk you just like the sound (Ooh-ooh, ooh-ooh)
One too many times I, let you ruin my life 'cause
I thought you would change but I see it now

All the yellin' and kissin' and fightin'
We never could see eye to eye
'Cause you might seem like a man but you're not one in your mind
Yeah, I'm back on my shit and it's temptin'
To call you and see how you're doin'
But I couldn't understand you if I tried

I don't speak boyshit
You're always coming back but your love's poison
So I think that I would rather just avoid it
I can't understand ya cause I don't speak boy, no
I don't speak, I don't speak, I don't speak boyshit (Woo)

Don't know how to talk or communicate (Ooh-ooh, ooh-ooh)
We're so on and off to you it's a game (Ooh-ooh, ooh-ooh)
If you don't level up I'm, leavin' you in the dust, yeah
So I'm movin' on until you start tryna to act your age, yeah (Your age, yeah
)

'Cause I don't speak boyshit
You're always coming back but your love's poison
So I think that I would rather just avoid it
I can't understand ya cause I don't speak boy, no
I don't speak, I don't speak, I don't speak

All the yellin' and kissin' and fightin'
We never could see eye to eye, yeah
You might seem like a man but you're not one in your mind
Yeah, I'm back on my shit and it's temptin'
To call you and see how you're doin'
But I couldn't understand you if I tried
'Cause I don't speak boyshit (Shit, shit, shit)
Boyshit (Shit, shit, shit)
'Cause I don't speak boy, no
Boyshit (Shit, shit, shit)

'Cause I don't speak boyshit
So tryna get through to you is pointless
You might have a way with words but I'm a woman
I can't understand you
'Cause I don't speak boy, no
I don't speak, I don't speak, I don't speak boyshit (Woo)

I don't speak boyshit
I don't speak boyshit
'Cause I don't speak boy, no
I don't speak, I don't speak, I don't speak boyshit
