I wanna be a billionaire so bad,
buy all of those things I never had.
I'll kick my feet up, and stare at the fan
Turn the TV on, throw my hands in my pants
Nobody's gon' tell me I can't
Oh, Every time I close my eyes, yeah
I see my name in shiny lights, yeah
A different city every night, oh I swear.
The world better prepare for when I'm a billionaire.
Oh... Oooh

If you tossin' and you turnin'
And you just can't fall asleep,
I'll sing a song beside you
And if you ever forget how much you really mean to me,
Every day I'll remind you.

Oh, to find out what we're made of
When we're called to help our friends in need.
You can count on me like 123 and I'll be there,
And I know when I need it,
I can count on you like 432 and you'll be there,
Cause that's what friends are supposed to do, oh yeah
Oh... Woah... yeah

If you ever leave me baby,
Leave some morphine at my door
Cause it'll take a whole of medication,
To keep you by my side
And keep you from walkin' out the door.

Cause there'll be no sunlight, if I lose you, baby
There'll be no clear skies, if I lose you, baby
Just like the clouds, my eyes will do the same
If you'll walk away, everyday
It'll rain, rain, rain, rai-ain.
It'll rain.

Oh yeah, I wanna be a billionaire so bad,
Buy all of those things I never got to have.
I wanna be on the cover of Forbes Magazine,
Smilin' next to Oprah and that Queen.

Oh, Every time I close my eyes,
I see my name in shiny lights, yeah
A different city every night, oh I swear.
The world better prepare for when I'm a billionaire.
