

# Dangerous

Madison Beer

[Verse 1]  
I'll remember you this way  
Keep you safe inside my memory  
But I've held you here for far too long  
I wonder if you think of me  
I'm still putting up a fight  
While you're off and you're forgetting me  
Never got the chance to tell our story  
A tale as old as time

[Pre-Chorus]  
Where did you go?  
Is it something I said? (Something I said)  
Why am I alone in this bed?

[Chorus]  
Tell me the truth  
What did I do?  
Look at me  
Why can't I see?  
No, it can't be this easy  
To let me go  
But if you say so  
Guess I make love too dangerous

[Verse 2]  
Right when I think I hate you  
Something pulls me under like the tide  
Even picked a house and chose our kids' names  
You'd always be mine

[Pre-Chorus]  
Where did you go?  
Is it something I said? (Something I said)  
Why am I alone in this bed?

[Chorus]  
Tell me the truth  
What did I do?  
Look at me  
Why can't I see?  
No, it can't be this easy  
To let me go  
But if you say so  
Guess I make love too dangerous

[Bridge]  
Ooh, I do

[Chorus]  
Tell me the truth  
What did I do?  
Look at me  
Why can't I see?  
No, it can't be this easy  
To let me go, ooh
