

# Make You Mine

Madison Beer

I-I-I  
Wanna feel, feel, feel  
Wanna taste, taste, taste  
Wanna get you goin'  
I-I-I  
Wanna lay, lay, lay  
Wanna string, string, string  
Wanna make you mine

Live inside my mind  
You can see the shrine  
Got you on my walls  
Believe it (Believe it)  
Baby, don't be scared  
Want you everywhere  
Catch you if you fall  
I mean it (I mean it)

Close I get  
Can you resist?  
It's relentless  
It's why

I wanna feel the rush  
I wanna taste the crush  
I wanna get you goin'  
I wanna lay you down  
I wanna string you up  
I wanna make you mine  
I wanna feel the rush  
I wanna taste the crush  
I wanna feel  
I wanna lay you down  
I wanna string you up  
I wanna make you mine

I-I-I  
Wanna feel, feel, feel  
Wanna taste, taste, taste  
Wanna get you goin'  
I-I-I  
Wanna lay, lay, lay  
Wanna string, string, string  
Wanna make you mine

Make you mine  
(Can't you feel the rush?)  
(Can't you feel the rush?)  
(Can't you feel the rush?)  
Make you mine

See it in my eyes  
How they never lie  
Just a little bite  
Are you dreamin'? (Are you dreamin'?)  
Now I got you up  
Would you look at us?  
Fantasy the life  
And I'm screamin', screamin'

Closer I get  
Can you resist?  
It's relentless  
It's why

I wanna feel the rush  
I wanna taste the crush  
I wanna get you goin'  
I wanna lay you down  
I wanna string you up  
I wanna make you mine  
I wanna feel the rush  
I wanna taste the crush  
I wanna feel  
I wanna lay you down  
I wanna string you up  
I wanna make you mine

I-I-I  
Wanna feel, feel, feel  
Wanna taste, taste, taste  
Wanna get you goin'  
I-I-I  
Wanna lay, lay, lay  
Wanna string, string, string  
Wanna make you mine  
I-I-I  
Wanna feel, feel, feel  
Wanna taste, taste, taste  
Wanna get you goin'  
I-I-I-I-I-I  
Wanna string, string, string  
Wanna make you mine

Make you mine  
(Can't you feel the rush?)  
(Can't you feel the rush?)  
(Can't you feel the rush?)  
Make you mine
