Unbreakable

Madison Beer

Do you feel like you just can't take no more
Broken heart, all your pieces on the floor
Like you're running out of breath
Trying to find yourself
Before you blow away in the night
Every word you ever said
Every way you ever felt
I know it's hard but baby tonight

We're gonna run through fire like we've never been burned
We're gonna laugh out loud like we've never been hurt
We're gonna shout it out to the edge of the world
We're unbreakable
You're unbreakable
We're gonna scream on rooftops, dance in the rain
We'll open up our hearts, yeah, forget the pain
And they can call us crazy, freaking insane
We're unbreakable
We're unbreakable
You're unbreakable
You're unbreakable

Empty streets filled with faces you don't know
In a crowd, trying to stand out trying to glow
But no matter where you are
It's like you're in the dark
And just can't find the fuse to the light
Every word you ever said
Every way you ever felt
I know it's hard but baby tonight

We're gonna run through fire like we've never been burned
We're gonna laugh out loud like we've never been hurt
We're gonna shout it out to the edge of the world
We're unbreakable
You're unbreakable
We're gonna scream on rooftops, dance in the rain
We'll open up our hearts, yeah, forget the pain
And they can call us crazy, freaking insane
We're unbreakable
We're unbreakable
You're unbreakable

I am me
There's nothing that can break me
Nothing that can break me
I'm telling you I am free
There's nothing that can hold me
Nothing that can hold me
I'm telling you I am me
Nothing that can break me
Nothing that can break me
I'm telling you I am free
Can't hold me down

We're gonna run through fire like we've never been burned
We're gonna laugh out loud like we've never been hurt

We're gonna shout it out to the edge of the world
We're unbreakable
You're unbreakable
We're gonna scream on rooftops, dance in the rain
We'll open up our hearts, yeah, forget the pain
And they can call us crazy, freaking insane
We're unbreakable
We're unbreakable
You're unbreakable
