

## Familiar.

Madison Ryann Ward

I've been through some things  
Ups and down some days  
But I call Your name  
This life I walk in faith  
Darkness, not a slave  
Jesus has my gaze  
But I've been feeling prayed out  
Trying to find a way out  
God I need your help now  
Come show me  
I've been trying to run away  
Feel like goin' M.I.A  
Feel like sittin' up in God's bedroom  
Making music, I don't talk to them  
Remember when I used to puff  
Now I'm chillin' with the most high  
And I can't even get enough

Can't keep goin' back  
To what I used to know  
Lord, please hold my hand  
As I go down this road  
Can't keep goin'

Now, listen daughter  
Pay attention, pray and listen  
Here your Father  
These lies they told are so familiar  
They will hunt you  
They will kill you  
Keep you hostage  
King will heal you  
Keep you bonded  
Can't fulfill ya  
I promise  
You're gotten  
Bow in reverence  
Before Him  
Adore Him  
He will give you everything  
Come and take away

Can't keep goin' back  
To what I used to know  
Lord, please hold my hand  
As I go down this road  
Can't keep goin'

Can't keep runnin' back to another  
'Cause You saved me, oh-oh-oh  
That I might come back to You, lover  
Can't (Can't) keep runnin' back to another (Another)  
'Cause You saved me (Saved me)  
That I might come back to You, lover

Can't keep goin' back (Goin' back)  
To what I used to know (To what I used to know)

Lord, please hold my hand (Hold my hand)  
As I go down this road (As I go down this road)  
Can't keep goin' back
