

## The Way Down

Madison Ryann Ward

You make my heart feel stolen  
My mind is spinning all the way round  
Love it when you hold me all the way down  
No, I don't need any roses  
Just say my name I like that sound  
Better are my days when you're around

On the days I don't know where to go, I can't find my way  
I hear you say "you're a friend to me  
You're where you're supposed to be  
I won't let anything come between us now  
And I won't let you fall on our way up"

Da-da-da da-da-da-da  
Da-da-da-da-da da-da-da-da

You make my heart feel stolen  
My mind is spinning all the way round  
Love it when you hold me all the way down  
No, I don't need any roses  
Just say my name I like that sound  
Better are my days when you're around

These days living my blessed life  
Nothing go to waste, no ain't nothing by the wayside  
You take a miracle and make it multiply  
I know it's all divine  
How could I even deny?  
I've seen you time and time and time  
Keeping me here in your love  
I know that it's always enough forever

You make my heart feel stolen  
My mind is spinning all the way round  
Love it when you hold me all the way down  
No, I don't need any roses  
Just say my name I like that sound  
Better are my days when you're around
