

Grandslam

Madness

Oh, Grandslam, is he the man.
Relentless turbocharged, the homosapien
It's the Grandslam.

Oh yeah yeah yeah yeah.
Wham Bam, is he the man.
Relentless turbocharged, the homosapien
It's the Grandslam.

A Grandslam
Am I everything you hope I am?
A piece of the masterplan.
A normal homosapien.

Grandslam!
A Grandslam
Am I everything you hope I am?
Just a piece of the masterplan.
Or a normal homosapien.

Grandslam
Am I everything you hope I am?
Just a piece of the masterplan.
A red-blooded homosapien.
