

Mumbo Jumbo

Madness

From the dawn of man until the present day
You gobbled the goop to get your own way
Cutting up a melon to manipulate
Serving up a supper on a poisoned plate

Mumbo, Mumbo Jumbo

The masses of dejecting showing you the door
The peaceful demonstration is past the point to ignore

Mumbo Jumbo

You represent the party but never portray
The crumbling infrastructure comes falling away
Coming together raise your right arm
Stoke a little fear back to Maggie's Farm

Mumbo, Mumbo Jumbo

Propagate the notion that pigs will fly
Wrestle up a little nonsense to divert the eye

Mumbo, Mumbo Jumbo

Mumbo, Mumbo Jumbo

You speak a language no one else can relate
Talk in rhythms only you can convey

Mumbo, Mumbo Jumbo

You propagate the notion that pigs will fly
Social services that stretched to a pie in the sky

Mumbo, Mumbo Jumbo

You promised us a pudding but never the proof
A cathedral of deceit to sodomize the truth
The masses of dejecting showing you the door
The peaceful demonstration is past the point to ignore

Mumbo Jumbo

Unbelievable
Inconceivable
It's sensational
Educational
