

# You Are My Everything

Madness

I'm gonna say it again  
I'll take your hand, do everything I can  
I'll care for you  
No matter what they say or what they do to me  
I'll always be around  
I'll never let you down

You don't know how much I need you  
But I don't have to hear you say you need me too  
No matter what they say or what they do to me  
This much you can depend  
I'll always be your friend

You are my everything  
You are my everything

If there ever comes a day  
If you'll walk out the door and live it all behind  
I won't hold you back or try to make you stay  
They would say I don't mind  
In truth I'd rather go blind

You are my everything  
That's what you are  
And I would do anything

I'm gonna say it again  
I'll take your hand, do everything I can  
I'll care for you  
No matter what they say or what they do to me

Because you are my everything  
That's what you are  
And I would do anything

I'm gonna say it again  
I'm gonna say it again  
I'm gonna say it again  
I'm gonna say it again

You are my everything  
That's what you are  
You are my everything  
That's what you are

That's what you are  
That's what you are  
That's what you are
