

# Inside Out

Madonna

Hold me closer, full disclosure  
Let it out, let me in  
On your knees, confess to me  
Every doubt, every sin  
That's how love's supposed to be

I wanna know what you're all about  
You're beautiful when you're broken down  
Let your walls crumble to the ground  
Let me love you from the inside out

Every scar that you try to hide  
All the dark corners of your mind  
Show me yours, and I'll show you mine  
Let me love you from the inside out

Let's discover one another  
Kiss me here, touch me there, yeah  
Purest form of ecstasy  
Truth or dare, don't be scared, yeah  
Let me solve your mystery

I wanna know what you're all about  
You're beautiful when you're broken down  
Let your walls crumble to the ground  
Let me love you from the inside out

Every scar that you try to hide  
All the dark corners of your mind  
Show me yours, and I'll show you mine  
Let me love you from the inside out

Let's cross the line  
So far we won't come back  
Can't read your mind  
I shouldn't have to ask

Cynical smile  
Time to take off your mask  
I'm on your side  
So let me love you  
Let me love you  
(Let me love you from the inside out)

I wanna know what you're all about  
You're beautiful when you're broken down  
Let your walls crumble to the ground  
Let me love you from the inside out

Every scar that you try to hide  
All the dark corners of your mind  
Show me yours, and I'll show you mine  
Let me love you from the inside out
