Volver, volver, volver

My finger's on the trigger
I had a bullet with your name on it

Line 'em up
And knock 'em down
My looks can kill
E-O-E-O
My body's fully loaded
And I got more ammo
Line 'em up
Knock 'em down
My looks can kill
E-O-E-O
You're an accessory to a murder cause

My love's a revolver
My sex is a killer
Do you wanna die happy?
Do you wanna die happy?
My love's a revolver
My sex is a killer
Do you wanna die happy?
Do you wanna die happy?

I should'a bang bang

You've been hit by a smooth criminal
A bad girl
I got you cryin' to your mama
Sayin'
I can't believe it
I seen ya tight
Bring ya knife into a gun fight
Caught up in love right
Think I'm in love, I

Line 'em up
Knock 'em down
My looks can kill
E-O-E-O
My body's fully loaded
And I got more ammo
Line 'em up
Knock 'em down
My looks can kill
E-O-E-O
You're an accessory to murder cause

My loves's a revolver
My sex is a killer
Do you wanna die happy?
Do you wanna die happy?
My love's a revolver
My sex is a killer
Do you wanna die happy?
Do you wanna die happy?

I let it bang bang

I shoot 'em bang bang
I shoot 'em bang bang
Mirror mirror on the wall
Who's the baddest of them all?

I shoot 'em bang bang
I shoot 'em bang bang
I line them up and watch them fall

Bang.
Tha shooting name is wayne
The victim didn't complain,
She just screamed shoot again.
I gave her extra rounds.
My barrel twist around.
I am Mr. shoot 'em down.
I leave hearts on tha ground.
My love-using weapon.
And yes I use it well.
Then I let the rose petals cover up the bullet shells.
I never shoot to tell.
I only shoot to kill.
And the vest aint gonna help it even if you're laying still.

My love's a revolver
My sex is a killer
Do you wanna die happy?
Do you wanna die happy?
My loves's a revolver
My sex is a killer
Do you wanna die happy?
Do you wanna die happy?
My love's a revolver
My sex is a killer
Do you wanna die happy?
Do you wanna die happy?
My life's a revolver
My sex is the cure
Do you wanna die happy?
Do you wanna die happy?

I let it bang bang

I shoot 'em bang bang
I shoot 'em bang bang
I line them up and watch them fall

I shoot 'em bang bang
I shoot 'em bang bang
I line them up and watch them fall

Do you wanna die happy?
Do you wanna die happy?
