

Life in Stereo

Mads Langer

Woke up this morning with that feeling of a war inside my chest
Caught up in another friendly fire, can we give it all a rest?

All the way from here to California
Let the sun shine in and come and join us
Come and join the freak show
Let your heart go boom, boom, boom

This ain't rock 'n' roll
But I feel it, in my soul
Oh, life in stereo
And I feel it, in my bones
Oh, this ain't rock 'n' roll
But I feel it, in my soul
Oh, life in stereo
And I feel it

All over the world
Ooh-ooh-ooh-ooh-ooh
All over the world
Ooh-ooh-ooh-ooh-ooh

Remix these sad songs for our brothers and our sisters in the streets
Free your mind and we'll be reckless drivers on our way to royalty, yeah

All the way from here to California
Let the sun shine in and come and join us
Come and join the freak show
Let your heart go boom, boom, boom

This ain't rock 'n' roll
But I feel it, in my soul
Oh, life in stereo
And I feel it, in my bones
Oh, this ain't rock 'n' roll
But I feel it, in my soul
Oh, life in stereo
And I feel it

All over the world
Ooh-ooh-ooh-ooh-ooh
All over the world
Ooh-ooh-ooh-ooh-ooh
All over the world
Ooh-ooh-ooh-ooh-ooh
All over the world
Ooh-ooh-ooh-ooh-ooh

All the bad times
All the worries
Let it go now
Let it go now
Let it go now
Let your heart go boom, boom, boom
Sing it

This ain't rock 'n' roll

But I feel it, in my soul
Oh, life in stereo
And I feel it
Oh, this ain't rock 'n' roll
But I feel it, in my soul
Oh, life in stereo
And I feel it

All over the world
Ooh-ooh-ooh-ooh-ooh
All over the world
Ooh-ooh-ooh-ooh-ooh
All over the world
Ooh-ooh-ooh-ooh-ooh
All over the world
(Ooh-ooh-ooh-ooh-ooh)
All over the world
