

Mystic Party

Maduar

Feel the spirit of the music
The spirit of the night

Come on, come on to the mystic party
Come on, come on to the mystic dance
Come on, come on to the mystic party
Move it, move it, gonna take your chance

Make your body mote to the party
Listen to my song everybody
Feel I that's all right
Our night needs more music
I wanna feel high in the universe
Oh yeah, oh yeah, you start to move

Numu deme numu deme suma way
