

# Anticlimax

Mae Muller

Hmmm, aaah, mmm

I used to think that you were kinda cool  
When we were young we were just kids at school  
If I'd have known what we'd turn out to be  
I would've never let you close to me  
'Cause all you ever did was let me down  
And I got sick and tired of waiting 'round  
Have you found another girl to disappoint?  
Someone who'll take your shit and watch you roll your joints?

And I've only just realised that I'm actually so far out your league  
And you still don't understand, 'cause you're just a boy and I need a man

Why did I ever go back?  
Am I crazy? I must've gone mad  
All my friends say I'm better than that  
'Cause you don't have a job  
And you're shit in the sack  
Now there's no point in calling my phone  
I've got a new man who's making me moan  
And making up for the thing that you lack  
All you are to me is one big anticlimax

La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la

Where did you get all of that confidence?  
From where I'm sitting it don't make no sense  
Yeah, you have money and a fancy car  
But I see through it, I know who you are  
And that don't really impress me much  
I liked you more before you had that stuff  
Now all that I can do is wish you luck  
No longer have me, yeah, you fucked it up

And I've only just realised that I'm actually so far out your league  
And you still don't understand, 'cause you're just a boy and I need a man

Why did I ever go back?  
Am I crazy? I must've gone mad  
All my friends say I'm better than that  
'Cause you don't have a job  
And you're shit in the sack  
Now there's no point in calling my phone  
I've got a new man who's making me moan  
And making up for the thing that you lack  
All you are to me is one big anticlimax

La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
All you are to me is one big anticlimax  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la

All you are to me is one big anticlimax

You're saying you want me back  
Are you crazy? You must be mad  
You know I'm better than that  
All you are to me is one big anticlimax
