

dependent

Mae Muller

I think it's happenin', I tried to run away
But you're under my skin, like I'm under your covers, babe
And it feels really good, just like I thought it would
But do you feel the same? Don't wanna be misunderstood

Baby, I've been thinking 'bout us lately
You're cute and always treat me like a lady
I'm fallin' for you and I think I hate it
'Cause I

Don't wanna be dependent (Ooh)
But I know if this ended (Uh-huh)
You really fuck me up, yeah
I know I will be affected (Oh, no)
'Cause all my independence (Uh-huh)
Is hangin' by a thread (Oh, no)
I'm feelin' kinda scared because I never had it better, no (Oh no)
Ooh-ooh, looks like I'm fallin' in love
Ooh-ooh, but I don't wanna give up
My independence (Ooh)
Is hangin' by a thread (Uh-huh)
I'm feelin' really scared because I never had it better, no (Oh no)

I stay 'round every night
We talk until it's light
And that ain't like me but with you, oh, it just feels so right
I know there's been boys before, but kinda odd
I never cared about somebody this bad

Oh, baby
I've been thinking 'bout us lately
I'm talking 'bout you, my friends think I'm crazy
I'm fallin' for you and I think I hate it
'Cause I

Don't wanna be dependent (Ooh)
But I know if this ended (Uh-huh)
You really fuck me up, yeah
I know I will be affected (Oh, no)
'Cause all my independence (Uh-huh)
Is hangin' by a thread (Oh, no)
I'm feelin' kinda scared because I never had it better, no (Oh no)
Ooh-ooh, looks like I'm fallin' in love
Ooh-ooh, but I don't wanna give up
My independence (Ooh)
Is hangin' by a thread (Uh-huh)
I'm feelin' really scared because I never had it better, no (Oh no)

And I just lost my mind
Why do I overthink all of the time?
'Cause everything is good, it's great, it's fine
But I just get so worried, baby, I

Don't wanna be dependent (No, no)
But I know if this ended (Oh woah)
You really fuck me up, yeah
I know I will be affected (Oh, no)

'Cause all my independence (Uh-huh)
Is hangin' by a thread (Oh, no)
I'm feelin' kinda scared because I never had it better, no (Oh no)
Ooh-ooh (Ooh-
ooh), looks like I'm fallin' in love (Looks like I'm fallin' in love)
Ooh-ooh, but I don't wanna give up (No, I don't wanna give up)
My independence (Ooh)
Is hangin' by a thread (Uh-huh)
I'm feelin' really scared because I never had it better, no (Oh no)
