**Mae Muller**

Yeah, yeah, yeah

Take your shit  
And when I say your shit  
No, I mean all of it  
The lies and empty promises  
Your clothes, your kicks  
You messed with the wrong bitch  
Now it's time for you to dip  
Boy, I know who you've been with

With that girl named Tina  
You really think you're slick  
And that thing Georgina  
You really are a prick  
'Cause it really makes me sick  
All these girls I shared you with  
Honey, please don't get it twisted  
I don't fuck communal dick  
Tell me, who is Daisy?  
And why'd you text her for?  
And the one named Stacey  
Boy, you are a whore  
'Cause it really makes me sick  
All these girls I shared you with  
Honey, please don't get it twisted  
I don't fuck communal, fuck communal -  
Dick, dick, dick, dick, dick  
Boy, you're such a  
Dick, dick, dick, dick, dick

Take a minute  
I know you did me wrong  
But, boy, it's all forgiven  
Yeah, who you think you're kidding?  
Nah, you're done, you're finished  
You're fake, you're just a gimmick  
And I ain't even livid  
'Cause I know I caught you slippin'

With that girl named Tina  
You really think you're slick  
And that thing Georgina  
You really are a prick  
'Cause it really makes me sick  
All these girls I shared you with  
Honey, please don't get it twisted  
I don't fuck communal dick

'Cause it really makes me sick  
All these girls I shared you with  
Honey, please don't get it twisted  
I don't fuck communal, fuck communal -  
Dick, dick, dick, dick, dick

Boy, you're such a  
Dick, dick, dick, dick, dick  
I don't fuck communal -  
Dick, dick, dick, dick, dick  
Boy, you're such a  
Dick, dick, dick, dick, dick

Delete my number  
Don't know why you're calling?  
I should have known  
I should have seen the warnings  
'Cause I found your behavior so appalling  
I went and fucked your friend 'cause I was horny

With that girl named Tina  
You really think you're slick  
And that thing Georgina  
You really are a prick  
'Cause it really makes me sick  
All these girls I shared you with
