I don't want no (Ah)
Drama

I got this drink all in my cup
Got this weed all in my zone
He skins teeth whenever we meet
Still have sweets all up in that chrome
We don't ever talk on the phone
Man, I do the road on my own
I'm a big girl and I'm grown
Talkin' tough, just lower your tone
In the back, he's drivin' real slow
We been handlin' shit on the low
Holdin' feelings that he won't show
He sees red but still it's a go
Darin' man to step on his toes
Fuck with me or one of these bros
Pull up a man and let his shit blow
Nuff man, choke on all of this smoke
Ain't what he wants but nine times out of ten
These are the things that happen in the ends
Lose a friend
Roll with'a skeng
Have to defend
When will it end?
Keep it chill
Fuck how they feel
All the real niggas already know
Bitin' it but you gon' suffer the deal
Eat up the meal
Pay for the bill, ay

Drama (I don't want no)
Drama
You better know
Let me down, I let go one time like "Oh well"
Only let me down once, I go like "Oh well"
You keep throwin' shade my way
Go get paid
Thought I'd had something to say
Nah, no way
Drama (I don't want no)
Only let me down once, I go like "Oh well"

I get obsessed
I get upset, I'm a mess
You'll never see me falter
I will never let you get up close
I don't need you
Nothing to prove I'm only
Only here for the fun and money
That's what I want
Keeps you nice and far from me

I got a soft side, it gets me in trouble every time
I know, I know, I know
You're sorry but
