

Leave It Out

Mae Muller

Nobody make a move, not until I say so (Ayy)
If you were in my shoes, couldn't take the pressure (Ayy)
I'm too high for you, my heels too high for you (Oh, na, na, na, na)
Yeah, I'm just bopping through wearing my Jimmy Choos (Choos, Choos)
You say, "Give me a break", take a long vacation
I'm just back from LA, boy, I'm suffocating
Won't be jumping through any of your hoops (Of your hoops)
So let your drama loose on somebody new (Somebody new)

I ain't no sucker, don't butter me up
No, that sugar don't work, don't try it
I ain't your mother, I couldn't care less
No I couldn't care less

So leave it ou-ou-ou-ou-ou-ou-out
Hush your mou-ou-ou-ou-outh
'Cause I don't wanna give ya, all my time on neither
And I don't wanna front but I feel like I don't need ya
So leave it ou-ou-ou-ou-ou-ou-out
Leave it ou-ou-ou-ou-out
Not trying to be mean, yeah, I know you catching feelings
I don't wanna front, I'm just telling you you need to
Leave it out

That 9 to 5 ain't me, I'm 24/7
I'm the first one on the scene and the last one leavin'
I'm a busy bee, busy makin' P (Oh, I'm so busy)
No, you are not my G and never used to be (Nope)

I ain't no sucker, don't butter me up
No, that sugar don't work, don't try it
I ain't your mother, I couldn't care less
No I couldn't care less

So leave it ou-ou-ou-ou-ou-ou-out
Hush your mou-ou-ou-ou-outh
'Cause I don't wanna give ya, all my time on neither
And I don't wanna front but I feel like I don't need ya
So leave it ou-ou-ou-ou-ou-ou-out
Leave it ou-ou-ou-ou-out
Not trying to be mean, yeah, I know you catching feelings
I don't wanna front, I'm just telling you you need to
Leave it out

So leave it ou-ou-ou-ou-ou-ou-out
Hush your mou-ou-ou-ou-outh
'Cause I don't wanna give ya, all my time on neither
And I don't wanna front but I feel like I don't need ya
So leave it ou-ou-ou-ou-ou-ou-out
Leave it ou-ou-ou-ou-out
Not trying to be mean, yeah, I know you catching feelings
I don't wanna front, I'm just telling you you need to
Leave it out
