

# Me, Myself & I

Mae Muller

It's getting boring  
This stupid boy thing  
Can't seem to find the one (Find the one, find the one, no)  
'Cause it's the same line  
Right guy, the wrong time  
I think I've had enough (Had enough, had enough)

'Cause I don't need to try  
Think I've finally realised  
That I'm all good, don't need a guy  
'Cause I'm the love of my own life  
I don't need to try  
Think I've finally realised  
I'm too busy to be a wife  
Yeah, that's why

I cut off Charlie  
I told him I was sorry (Yeah)  
Then there was Michael  
He just wasn't my type, though  
There was Ethan  
He wanted something deeper (Yeah)  
I had to leave them, I think I found a keeper  
It's me, myself and I

Baby, it's simple  
I'm young and single  
Why would I settle down? (Settle down, settle down, uh)  
'Cause for the first time  
Got nobody on my line  
Don't hit me up 'cause I'll decline, yeah, yeah, yeah

'Cause I don't need to try  
Think I've finally realised  
That I'm all good, don't need a guy  
'Cause I'm the love of my own life  
I don't need to try  
Think I've finally realised  
I'm too busy to be a wife  
Yeah, that's why

I cut off Charlie  
I told him I was sorry (Yeah)  
Then there was Michael  
He just wasn't my type, though  
There was Ethan  
He wanted something deeper (Yeah)  
I had to leave them, I think I found a keeper  
It's me, myself and I

Ooh-ooh, I'm going out tonight  
Ooh-ooh, just me, myself and I  
Ooh-ooh, too busy to be a wife  
So I'm going out tonight  
Yeah, just me, myself and I

And Charlie, you're a good time

And Michael, you're so damn fine  
And Ethan, always on time  
But I'm the love of my own life  
You ain't done nothing wrong  
But I like being alone  
So don't take it personal  
That's why

I cut off Charlie  
I told him I was sorry (Yeah)  
Then there was Michael  
He just wasn't my type, though  
There was Ethan  
He wanted something deeper (Yeah)  
I had to leave them, I think I found a keeper  
It's me, myself and I

Ooh-ooh, I'm going out tonight  
Ooh-ooh, just me, myself and I  
Ooh-ooh, too busy to be a wife  
So I'm going out tonight  
Yeah, just me, myself and I
