

## so annoying

Mae Muller

You drive me fucking crazy  
You drive me up the wall  
We argue on the daily  
You push it and then you pull  
I try to leave you to it like this is the final straw  
But when I walk away, oh no, I don't feel mad no more  
I can't help it I miss you  
And I hate it that I miss you when you're gone  
I know we have our issues  
The minute I leave I forget them all

Without you it's boring  
Someone should have warned me  
Love is so annoying  
Every time I get a message  
Hope it's you that's calling  
Though I might ignore it  
Love is so annoying

I'll go round to your house  
And all we'll do is talk  
Then drive around for hours  
For no reason at all  
I guess I miss the way that  
The way it was before  
When we were just so young  
Not dumb and immature

I'm mad that I still need you  
And I hate that I don't want somebody new  
Cos we still have our issues  
But when its good, oh boy, it's so damn good

Without you it's boring  
Someone should have warned me  
Love is so annoying  
Every time I get a message  
Hope it's you that's calling  
Though I might ignore it  
Love is so annoying  
Love is so annoying  
Love is so annoying

And I can't lie  
Your mine and love's unconditional  
I can't lie  
Your mine

Without you it's boring  
Someone should have warned me  
Love is so annoying  
Every time I get a message  
Hope it's you that's calling  
Though I might ignore it  
Love is so annoying

Without you it's boring

Someone should have warned me  
Love is so annoying  
Every time I get a message  
Hope it's you that's calling  
Though I might ignore it  
Love is so annoying  
Love is so annoying  
Love is so annoying  
Love is so annoying  
Love is so annoying
