

# Sorry Daniel

Mae Muller

You wanna meet me, go over things  
Down at the park, my favourite coffee place  
Tryna be sweet, you really thought about it  
And I did too, and I don't wanna go  
'Cos there's only one thing you wanna know  
And I don't wanna go down that road

I feel bad about it  
But I can't just sit around  
And let you fall in love with someone  
Who doesn't really care  
Oh, I know it isn't fair

I'm sorry, Daniel  
Life got hard to handle  
And it's all a bit random, I know  
I got reasons I could tell you but Daniel  
You won't understand though  
So again, I gotta cancel, and I know  
I'd love to be there  
But I'm leaving, Daniel

You look hurt, boy, my apologies  
Truth is that it isn't you, it's me  
I know that's bait, baby, it's honesty  
And it's not easy for me

'Cos I feel bad about it  
But you're better off without it  
You know you should be with someone  
Who won't mess you around  
Oh, like I'm doing right now

I'm sorry, Daniel  
Life got hard to handle  
And it's all a bit random, I know  
I got reasons I could tell you but Daniel  
You won't understand though  
So again, I gotta cancel, and I know  
I'd love to be there  
But I'm leaving

I'm sorry, sorry yeah  
I'm sorry, sorry yeah  
I'm sorry, sorry yeah  
I'd love to be there but I'm leaving, Daniel

I feel bad about it  
But I can't just sit around  
And let you fall in love with someone  
Who doesn't really care

I'm sorry, Daniel  
Life got hard to handle  
And it's all a bit random, I know  
I got reasons I could tell you but Daniel  
You won't understand though

So again, I gotta cancel, and I know  
I'd love to be there  
But I'm leaving, Daniel

Leaving, Daniel  
I'm sorry, Daniel  
Sors, babe
