

work like that

Mae Muller

You really thought that I wouldn't find out?
Well, I found out
Keep your dick in your pants and my name out your mouth, yeah
Better watch out, better stay on them toes, no, no
'Cause I met your girlfriend, should I see if she knows? Yeah

Can't have eyes for everything you see, yeah
Get a life, you're fucking 33
Bitch, don't give me a problem I ain't needin'
If you got someone else, you don't get me then

It don't work like that
I don't need you that bad
Thinking you compare with all the feelings that I had
But it don't work like that
Don't even hurt that bad
Got me catching feelings, baby, you can have them back

(Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
It don't work like, it don't work like that
(Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
It don't work like, it don't work like that

Weren't you the one trying to get us alone, all alone?
Looking back, so glad that I took myself home, yeah
Honestly, it's sad, so sad, that you don't feel guilty
You should be worried now, yeah

Can't have eyes for everything you see, yeah
Get a life, you're fucking 33
Bitch, don't give me a problem I ain't needin'
If you got someone else, you don't get me then

It don't work like that
I don't need you that bad
Thinking you compare with all the feelings that I had
But it don't work like that
Don't even hurt that bad
Got me catching feelings, baby, you can have them back

(Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
It don't work like, it don't work like that
(Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
Ooh (Ooh, ooh, ooh, ooh)
It don't work like, it don't work like that
Ooh-ooh (Ooh, ooh, ooh, ooh)
It don't work like (Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
It don't work like, it don't work like that (It don't work like, it don't work like that)

(Ooh, ooh, ooh, ooh)
No, ooh (Ooh, ooh, ooh, ooh)
(Ooh, ooh, ooh, ooh)
It don't work like, it don't work like that
