

Make Me Your Mrs

Mae Stephens

I've never loved someone like I love you before (like I love you)
I've got a hundred reasons just to love you more (to love you more)
This confrontation isn't something I ignore but I like you (I like yo
u)

You're crazy
But that's what make it so easy
We're living in a day dreams
Who knew love was so cheesy

But if you don't ask first
Imma make a move and I don't know what's worse
Sitting here and waiting for you
You know I love you, yeah I'll admit it
So why the fuck won't you just make me your mrs

I understand you, you waiting for the perfect time
Candles and roses
But I just want to make you mine
I know you nervous of giving someone else your time
But darling I promises everyday I'll give you mine

You're crazy
But that's what make it so easy
We're living in a day dreams
Who knew love was so cheesy

But if you don't ask first
Imma make a move and I don't know what's worse
Sitting here and waiting for you
You know I love you, yeah I'll admit it
So why the fuck won't you just make me your mrs

I'll love you for ever
I'll love you for ever
I'll love you for ever...

But if you don't ask first
Imma make a move and I don't know what's worse
Sitting here and waiting for you
You know I love you, yeah I'll admit it
So why the fuck won't you just make me your mrs

But if you don't ask first
Imma make a move and I don't know what's worse
Sitting here and waiting for you
You know I love you, yeah I'll admit it
So why the fuck won't you just make me your mrs
