

# Use Somebody

Mae Stephens

I've been roamin' around, always lookin' down at all I see  
Painted faces fill the places I can't reach  
You know that I could use somebody  
You know that I could use somebody  
Someone like you and all you know and how you speak  
Countless lovers under cover of the street  
You know that I could use somebody  
You know that I could use somebody

Someone like you  
Someone like you

Off in the night, while you live it up, I'm off to sleep  
Wagin' wars to shape the poet and the beat  
I hope it's gonna make you notice  
I hope it's gonna make you notice

Someone like me  
Someone like me  
Someone like me  
Someone like me

Ooh, I'm ready now  
I'm ready now  
I'm ready now  
I'm ready now  
I'm ready now  
I'm ready now

Someone like you  
Somebody  
Someone like you  
Somebody

I've been roamin' around, always lookin' down at all I see
