

## Sing

MAE

Sing to the melody now  
I'm trying hard to know your key now  
I think we both want harmony now  
So won't you sing it with me, 1, 2, 3 now?

So keep on hoping 'til you know we'll find that peace of mind  
( 'Til you know we'll find)  
So keep on hoping 'til you know we'll find that peace of mind  
( 'Til you know we'll find)

Sing to the melody, yeah  
I'm coming over just to know your key, yeah  
I know we both got harmony, yeah  
So won't you sing it with me, 1, 2, 3, yeah?

So open up until you know there's more than either/or  
So open up until you know there's more than either/or  
Either/or, either/or...

Sing to the melody now  
When we try, we define the key now  
We're gonna get that harmony now  
So won't you sing it with me, 1, 2, 3 now?

So sing to the melody now  
Oh, when we try, we define the key now  
We're gonna get that harmony now  
So won't you sing it with me, 1, 2, 3 now?
