

The Overview

MAE

I've felt the beauty and held the pain
I've been healed in the fire, and I've been burned by the flame
Lost in the dark, found in the light
And at the end of the day and the night

All I know is to try, all I hope is to see
All I want is to trust, I just gotta believe
Gravity keeping me down, this is setting me free
So much more than before, got me thinking

So how do I get back home?
Get back home?
Get back home?
Whether or not I belong, it's my song
Get back home, yes sir

Yes, yes (Yes, yes)
This is only a test
Yes, yes (Yes, yes)
This is only a test
This is only, this is only a test

I'm floating in ether, and spinning in stars
Time capsule a minute, million in it jars
Take in the tune, believe the view
Going up and then down, all around, make it through

Hey!
So how do I get back home?
Get back home?
Get back home?
Whether or not I belong, it's my song
Get back home, yes sir

How do I get back home?
Get back home?
Get back home?
Whether or not I belong, it's my song
Get back home, yes sir

Yes, yes (Yes, yes)
This is only a test
Yes, yes (Yes, yes)
This is only a test
This is only, this is only a test

So how do I get back home?

I used to think that God was up above us
There to judge us
Not to love us, but to hunt us
But now I see
That in between
And underneath
All of the things that bring us fear are shrinking

So how do I get back home?

Get back home?
Get back home?
Whether or not I belong, it's my song
Get back home, yes sir

How do I get back home?
Get back home?
Get back home?
Whether or not I belong, it's my song
Get back home, yes sir

Test, test (Yes, yes)
This is only a test
Yes, yes (Yes, yes)
This is only a test
This is only, this is only a test

Yes, yes, this is only a test
Test, test
This is only a test
Yes, yes, this is only a test
Test, test
This is only a test
