Fell in love with, fell in love with (You aren't even a cool br

Yeah, yeah

I fell in love with sluts, you ain't really my type if you ain'

Say, "Fuck your homie" to his face, I treat his ass like Wop di
d Jeezy
Watch me bounce out with that chop and make a scene just like C
hris Breezy
I signed a deal, got a advance, then changed my number, it's ha
rd to reach me
All these diamonds around my neck, they water wet, I'm talkin'
Fiji
And the minute I hit that stage, I want my fans to yell out, "T
eeski"
For this rap shit, boy, I'm hoardin'
You can't have nothin' 'cause, bitch, I'm greedy
All day I been sippin' syrup, it's 3 a.m. and I still ain't sle
epy

Now it's 3 a.m., we tryna catch a murder one
We finna hit a nigga block, tell my Scoom, "Load the guns"
Click your button to the right, boy, it's time to have some fun
Put a fifty in that bitch, lil' cuz Nick Cannon with that drum
And you can't beat me if you wanted, lil' boy, you know Slick o
ne of one
And I ain't doin' no back and forth if you can't up a honey bun
And if he got bag on his head, we puttin' his ass up in a trunk
And if a nigga play with me, then Slick goin' right back to tha
t bunk
And if I catch a murder case with all this money, I'ma beat it
Knew I was gonna get on since a kid as my whole life, bitch, I
been seen it
Fell in love with all this Wock', I'm pourin' drank, it got me
leanin'
I'm surrounded by all these angels all the time to fight my dem
ons
