

Catch

MAF Teeski

(Ooh, MP)

(Yuksel)

Throw a shell at you, you better duck or you gon' catch it
Every time she throw it back, I ain't gon' run, I bet I catch it
Kiss her neck, make her get naked
I'm enjoyin' every second
Eat her pussy 'cause she special
She know that pussy the devil
Kiss her neck, make her get wet
My boy KD was a threat
I got forty in that Vec'
You wanna be gang? Go catch a hat
On first night, I fucked your bitch
She was tryna give me kiss
This ain't that and that ain't this
You won't even hit her, do this dick

Off these drugs, watch me nod
Fell in love with foreign cars
I done made with this rap shit, bitch, ain't no more crackin' cards
Pour up four and go to Mars
I'm tryna hang out with the stars
We smoke oppers by the jocks
It's all on Scoom, it left me scarred, nigga
Throw a shot at you, you better duck or you gon' fetch it
Every time we slide, we bail out V's, he run, we bound to catch him
Need my help, you know I'm with you
Stay with my dogs just like a kennel
Text her phone like, "Bae, I miss you"
We do hits up out of rentals

Throw a shell at you, you better duck or you gon' catch it
Every time she throw it back, I ain't gon' run, I bet I catch it
Kiss her neck, make her get naked
I'm enjoyin' every second
Eat her pussy 'cause she special
She know that pussy the devil
Kiss her neck, make her get wet
My boy KD was a threat
I got forty in that Vec'
You wanna be gang? Go catch a hat
On first night, I fucked your bitch
She was tryna give me kiss
This ain't that and that ain't this
You won't even hit her, do this dick
