(This shit gon' be crazy, Jacc)
I'm havin' now

Please don't try to confront me like no men, I'ma pull my gun out
Ain't got time to play around the streets, I got a son now
We can't slide with him, he fuck around and rat us all out
Any time they book me for a show, that bitch got sold out
Pull up throwin' at his ass, he tryna run now
You could catch me throwin' on any beat, I'm havin' fun now
Feelin' like Nick Cannon, boy, don't make me bring them drums out
He was tough as hell on Instagram, he in my lungs

41 up on my wrist, VVSs on my neck
Went to Johnny for my teeth, don't reach for nothin', I'll catch a hat
My new bitch, she one of one, bae, come lay down on my chest
Big dog, they can't fuck with Slick, they know that I been a threat
Pull up throwin' at his ass, he tryna run now
Please don't try no wocky shit around me, I got my gun out
Feel just like the NBA the way a nigga ball out
I'm fuckin' all these hoes from all this fame, I'm havin' fun now

Please don't try to confront me like no men, I'ma pull my gun out
Ain't got time to play around the streets, I got a son now
We can't slide with him, he fuck around and rat us all out
