

(Ryan, what took you so long?)

Yeah

Ain't no one on ones, bitch, we ain't havin' that

Uh, her baby daddy a corn, that nigga mad 'cause I'm crackin' that

Young fine shit, she got pretty titties and her

Young fine shit, she got pretty titties and her ass fat

Got hit with a 10 all in the stomach, made his bitch ass curl

Know your role and play it right, then I'll give you the world

Pillow talk, this nigga pussy, I think he a girl

We comin' through the back, you got took down for thinkin' that
you thorough

She like, "Teeski, can you handle that?"

I'ma stalk your page and hunt you down wherever you campin' at

She like, "Teeski, can you handle that?"

Came up in the jungle, I'm a product of my habitat

7.62s up in the Drac', it's blowin' like a trumpet

If your credit good, I'm tryna put a baby in your stomach

My lil' bitch down to Earth, her pussy good and I know that she
a honey

Put that ass up in the air, she takin' dick, my ho ain't doin'
no runnin'

Uh, she like, "Take me where the fun be at"

You ain't got no money, pussy nigga, let's go rack for rack

Uh, she thick as fuck, you know I'm fackin' that

Have my shorties spin and blow you down wherever you lackin' at

Uh, what you need, nigga? I'll probably front it

Sayin' fuck my brother, nigga, you can catch the whole hundred

No more Smith & Wessons, bitch, you know I'm strapped up with a
