MAF Teeski

(Ayo, Chef)

(This shit gon' be crazy, Jacc)

If you lookin' for the drank, you know I'm taxin'  
You know we hands-on whenever we play D, you know we hackin'  
Straight up out the gutter, I slept without no sheets up on my  
mattress  
I get mad fast, don't make me up this bitch and get to clappin'  
I get mad fast, don't make me up this bitch and get to dumpin'  
Nine times out of ten, I'm always on the block like Andre Drumm  
ond  
All up in her feelings, I guess she mad I treat her like she no  
thin'  
Chase his ass down, I walked him down with switch, he Forrest G  
umpin'

Fresh up out the trenches, I grew up in the hood without no dad  
dy  
They don't wanna bump, but wanna shoot it out, them niggas scar

Your bitch cheat with me, I told her I wanna crack, you know sh

I get mad fast and got an anger problem, you better not touch m  
e  
I get mad fast, my switch keep jammin' up, that boy got lucky  
Wipe a nigga nose, you know they call me Slick 'cause you can't  
trust me  
Dusty-

Yeah, with this Drac', I'm tryna take him on a date  
Too much pain from the trenches, you can see it in my face  
And you know I get mad fast, so I advise you not to play  
I'm high as hell off all this drank, man, I been pourin' this s
