Uh, na-na-na-na-na-na, know it's all about the art  
When you aim the glee and shoot, know it's all about the-

I forgot about my keys, know my shit a push to start  
When you up the glee and shoot, you know it's all about the art  
If you catch me in a fishbowl, know I'm in this bitch with sharks

We got shit sound like a bomb, Micro Drac' put his shit in park  
It be hard to turn me on, your lil' bitch couldn't get me hard  
Made a ten way before ten, I was like sixteen doin' fraud  
Please don't call me with no trust, you ain't doin' no bins without the card  
You better not play about that curb, I'll have them killers in your yard
