

## War Ready

MAF Teeski

I was a lil' jit, bad as hell in the trenches, uh  
Played with thirty-  
eights before the Glocks and all the switches, uh  
Now we play with Dracs, nobody safe, bitch, keep your distance,  
uh  
Gotta watch that backdoor, make sure it's locked, this shit get  
s treacherous (Bolegs, this you?)  
Look, me and my niggas war ready  
Told the bitch she gotta take me for who I am and just accept m  
e  
Head tap him, got his brains everywhere just like confetti  
I got a bad bitch name Keisha and I'm bustin' on her belly  
Nigga, Ferris wheel, spin the block  
I got bored and poured a clean-ass four of Tris in one pop  
For JayG I stay on go, I'll slime you out just for my opps  
My mood stayed on for three days, no O-  
line, I ran up on the box  
Flrr, flrr, flrr, flrr, bodies drop  
Now I'm tryna trade this switch from my big cuz 'cause this bit  
ch hot  
My OG hate my lifestyle, she say it's wild and I'm too hot  
And me and my daddy wasn't too locked, but can't no nigga take  
his spot  
Look, we be standin' on that business  
It's 2022, your poor ass still ridin' limits  
Tell me why you got that Glock, you ain't gon' shoot shit, Ben  
Simmons  
Get the lo' and be the first ones at your door, Jehovah Witness  
Hit her DM like, "Bae, I miss you" 'cause I ain't fucked her in  
a minute  
I cut a few homies off, I know how to read a nigga who got tens  
ion  
And if I win, then we all gon' win, we all as one, no competiti  
on  
You want them kicks, then I want some neck, lil' baby, we can m  
ake a proposition, look  
Nigga, long live KD, that's my heart  
And you know we ridin' dirty, lookin' for opps and duckin' narc  
s  
Ain't no throwin' out the V, we walk 'em down just when we spar  
k  
My lil' nigga, he too dangerous, he only pop out when it's dark  
, nigga
