

In this world of carelessness
there is delight, there is distress
a wilderness of mortal calm
sometimes ease, sometimes alarm

Lead me to a new world of comfort
Lead me to a new world of comfort

Leave now quick, before you're missed
you can use the service lift
the neighbours're out on the morning shift
there needn't be the slightest risk

You know, we're lucky to be so important
you know, we're lucky it turned out that way
we are so lucky

In this world of carelessness ...
there is delight, there is distress
we're never safe, that's for sure
the lucky shot through the open door

Lead me ...

So take your life in your hands and go
don't tell me where, I'd better not know
if I need to get in touch one day
I will employ the C.I.A.

Our love will equal the five year plan
like the harvest we'll cover the land
we are so lucky

Lead me ...
