Magdalena Bay

What's the best you've got?  
I forgot all my common sense  
I need all the common sense  
Time to start the clock, from the top  
I need confidence  
Confidence in medicine

But oh, my God  
Twenty-two more minutes  
Oh, so hot  
Meet your brand new image  
Oh

I'm the best you've got  
True or not  
I've got common sense  
I've got all the common sense  
Time to let me in  
Let's begin  
There's no heaviness  
Just over the precipice

But oh, my God  
Twenty-one more minutes  
Oh, so hot  
Meet your brand new image  
Oh, my God  
Just a few more minutes  
Oh, so hot  
It'll be much clearer  
Oh

But oh, my God  
Make me in your image  
Oh, so hot  
Through a two way mirror  
Oh, my God  
Only one more minute  
Oh, so hot  
Meet your brand new image  
Oh
