

# Daddy Lessons

Maggie Antone

Came into this world Daddy's little girl  
And Daddy made a soldier out of me (Ooh)  
Daddy made me dance, Daddy held my hand  
And Daddy liked his whiskey with his tea

We rode motorcycles  
Blackjack, classic vinyl  
Tough girl is what I had to be  
He said, "Take care of your mother  
Watch out for your sister"  
That's when Daddy gave to me

With his gun and his head held high, he told me not to cry  
Oh, my daddy said shoot  
Oh, my daddy said shoot  
With his right hand on his rifle, he swore it on the Bible  
My daddy said shoot  
Oh, my daddy said shoot  
He held me in his arms, he taught me to be strong  
He told me when he's gone, "Here's what to do  
When trouble comes to town and men like me come around"  
Oh, my daddy said shoot  
Oh, my daddy said shoot

Ooh

Daddy made me fight, it wasn't always right  
But he said, "Girl, it's your Second Amendment"  
He always played it cool, but Daddy was no fool  
And right before he died, he said, "Remember"

He said, "Take care of your mother  
Watch out for your sister"  
That's when Daddy looked at me

With his gun and his head held high, he told me not to cry  
Oh, my daddy said shoot  
Oh, my daddy said shoot  
With his right hand on his rifle, he swore it on the Bible  
My daddy said shoot  
Oh, my daddy said shoot  
He held me in his arms, he taught me to be strong  
He told me when he's gone, "Here's what to do  
When trouble comes to town, men like me come around"  
Oh, my daddy said shoot  
Oh, my daddy said shoot

Ooh  
Ooh

My daddy warned me about men like you  
He said, "Baby girl, he's playing you, he's playing you" (Ooh)  
My daddy warned me about men like you  
He said, "Baby girl, he's playing you, he's playing you" (Ooh)  
"Cause when trouble comes to town and men like me come around"  
Oh, my daddy said shoot  
Oh, my daddy said shoot

"'Cause when trouble comes to town and men like me come around"

Oh, my daddy said shoot

Oh, my daddy said shoot
