

Friends Go

Maggie Lindemann

(I'm all by myself, I'm all by myself)
Where did all my friends go?

I miss those late nights
Just you and I up in my bedroom 'til sunrise
Could spend the whole night talking to you
Even if I was the only one talking
They busted the door
They don't see you at all
That don't mean you ain't there
'Cause I know that you are, swear it's true
They said that I was the only one talking

White jacket, white pills
Told me I would feel better
But now, you ain't here
Will I ever feel better?
'Cause if you're only in my head
I don't wanna get out of it

I'm all by myself (All by myself)
Where did all my friends go?
I miss you like hell (Miss you like hell)
I know you'll be back though
They say that I'm crazy
They took you away
Now I'm all by myself
Where did all my friends go? (Uuh-uh)
Where did all my friends go?

Nobody gets me the way that you get me
They just keep on sayin' you're imaginary, not true
(It's not true)
I can't imagine my life without you

White jacket, white pills
Told me I would feel better
But now, you ain't here
Will I ever feel better?
'Cause if you're only in my head
I don't wanna get out of it

I'm all by myself (All by myself)
Where did all my friends go?
I miss you like hell (Miss you like hell)
I know you'll be back though (Back though)
They say that I'm crazy
They took you away
Now I'm all by myself
Where did all my friends go? (Uuh-uh)

Where did they go?
(All by myself...)
I'm all by myself, I'm all by myself
I'm all by myself, I'm all by myself
Where did all my friends go?
