

# Human

Maggie Lindemann

I've got like 30 missed calls  
Stayin' in another night  
And I've been talking to the walls  
Feel a bit out of my mind

But you don't even know, you don't even know  
What is going on, what is going on  
I could try to smile, done it for awhile  
But nobody knows it like I

I wish I wish I was human  
I wish that I could see shit like you did  
Where it's sunny all the time but it's useless  
Nah nah  
And if you saw through my eyes you'd understand why  
I wish I was human  
I wish I could see shit like you did  
Where it's sunny all the time, but it's useless  
Uhh ohhh  
And if you saw through my eyes you'd understand why

I've been tryna drink away  
All the nights I can't forget  
And the voices screaming in my head  
'Bout the things I most regret

But you don't even know, you don't even know  
Nobody knows it like I

I wish I wish I was human  
I wish that I could see shit like you did  
Where it's sunny all the time but it's useless  
Nah nah  
And if you saw through my eyes you'd understand why  
I wish I was human  
I wish I could see shit like you did  
Where it's sunny all the time, but it's useless  
Uhh ohhh  
And if you saw through my eyes you'd understand why

(I wish I wish I was)

I wish I was human  
I wish I could see shit like you did  
Where it's sunny all the time but it's useless  
Uhh ohh  
And if you saw through my eyes you'd understand why
